Volume 36 No 9

Well, who'd have thought it – rampant global warming has brought about one of the most spectacularly horrible summers on record! The sight of all those clapped out old rockers and self-important celebs strutting their decrepit stuff at Wembly the other week was always going to be more than enough to ruin my season; and as for the crappy weather... So all in all, it's heads down and wait for Autumn as far as I'm concerned. Having said that, the last few weeks haven't been a total write-off, because apart from anything else we were privileged enough to witness one of the most trouser-tenting encounters of the modern age, and Stella introduced us to her new special friend Cindy. On top of that, the delectable Natasha also indulged us with a bit of blistering lesbiary, while young tyro Tyra perked up our month a fair old bit as well. Still, bloody Genesis, eh? – **The Ed.** ♣

SUPER HOOPS!

I don't normally buy your magazine as I'm more of an internet wanker but when I saw the cover of your last issue I had to make a purchase. The reason being? Well, it was all down to the blue and white striped bikini the model was wearing. It's the colours of my beloved Queens Park Rangers so to see a fit bird donning the stripes did certain things for me. I actually bought two copies and sent one to Loftus Road so you never know, the lads at QPR might all be avid *Club* fans now. Or they might just stick her pictures up in their changing room and treat her as a lucky mascot. They're probably going to need one this season!

Paul, West London

ALL NETS ARE OFF

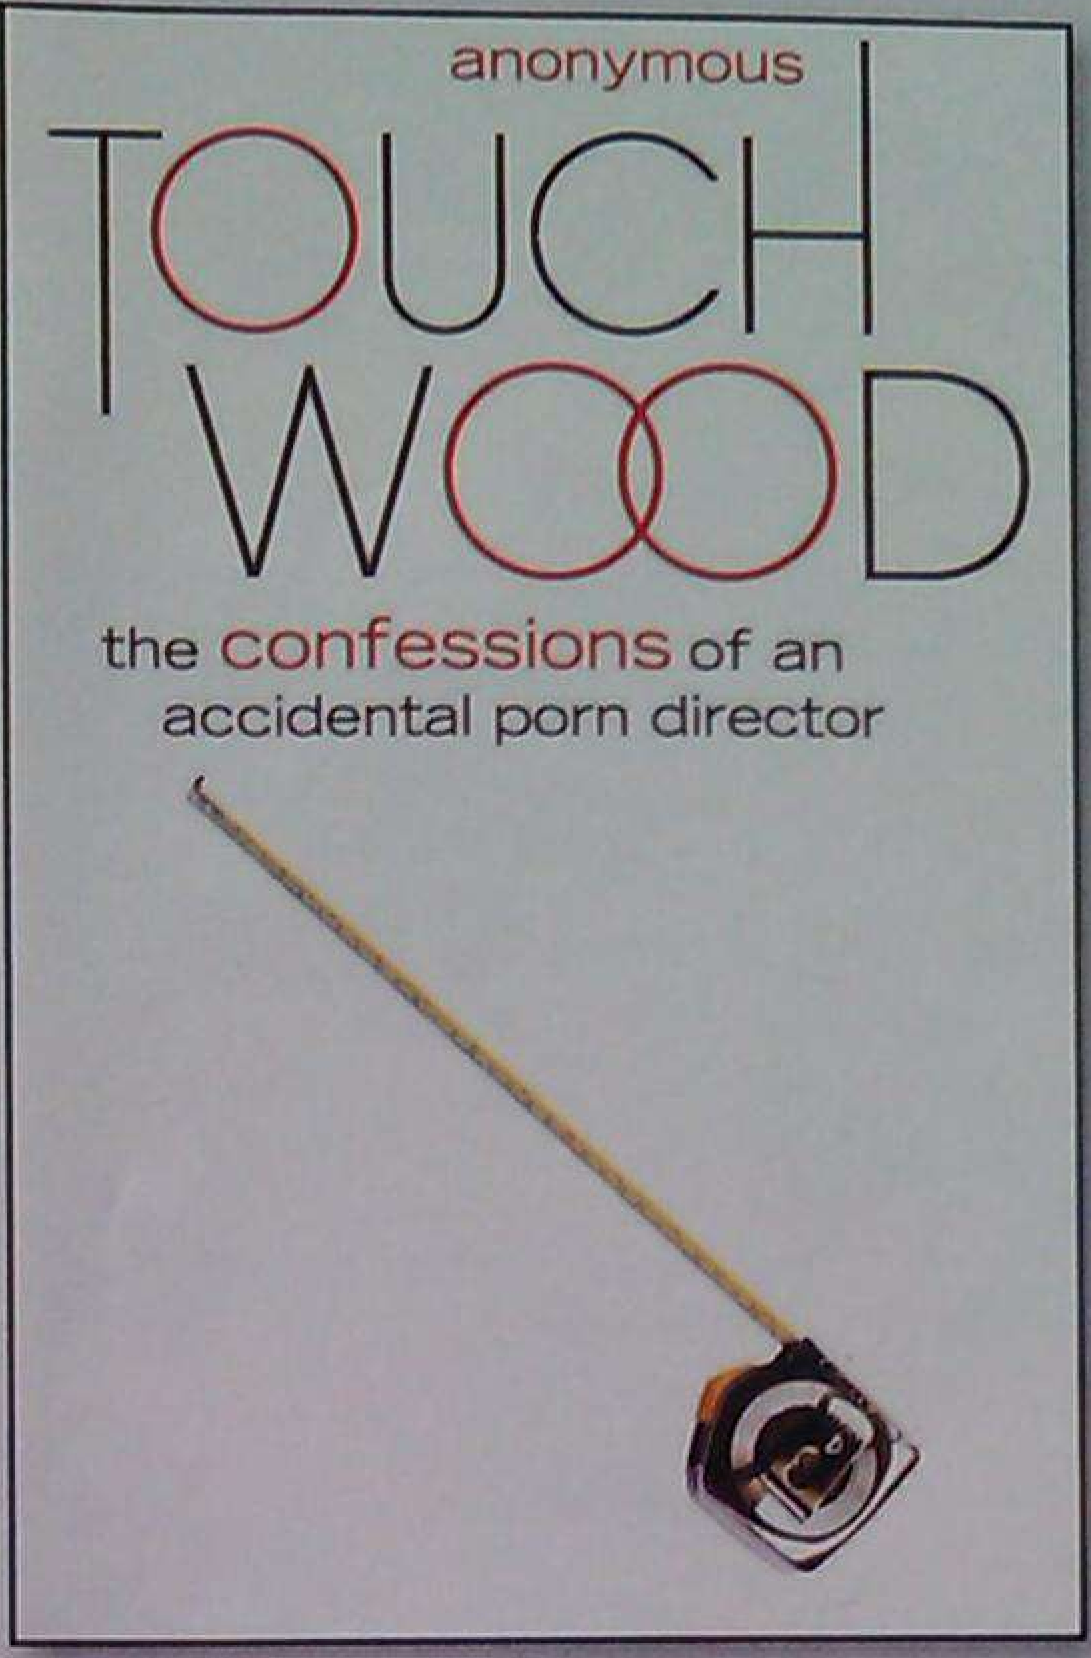
I'm not sure if you have many other female readers *(we surely do! – Ed.)* but I thought I'd write in and tell you that I've been buying Club for a couple of years and I absolutely love it! I particularly love it when you feature girls wearing stockings because I simply adore wearing stockings because they make me feel so sexy. So I was pretty chuffed when I saw the pictures of May in a recent issue, the gorgeous blonde wearing a pair of red fishnets.

Her stockings reminded me of a similar pair of tights that I used to have, and the fantastic sex session I had in them. It was when I was in my early 20s working as a secretary in the city. I'd started having an affair with my boss, Gerald, who was 20 years older than me. He was such a charmer and made me feel so sexy.

We used to stay behind and have sex in the office when everybody had gone home, but pretty soon Gerald started paying for hotel rooms and we'd fuck there all night. As our affair continued he started to buy me all sorts of sexy underwear that he demanded I wear when spending the night with him. One time he bought me a pair of red fishnet tights and told me for the whole day at work how excited he was about getting to fuck me in them.

That night we went to our usual hotel and while Gerald freshened up in the shower I put the red stockings on with a pair of my own black high heels. I didn't see the point of putting anything else on as Gerald was just going to come straight out of the bathroom and undress me but I looked at myself in the mirror and knew he would be

A DAY IN THE LIFE...



Ever wondered what it's really like behind the scenes in the UK porn industry? Well, from where we're sitting it's bloody hard work, it's the lucky film directors, cameramen and, of course, the actors who have all the real fun. Although if you're to believe some of the episodes in *Touch Wood*, an anonymously-penned tome about making porn movies, you'll realise it's not as simple as pointing a camera at a couple having sex and shouting 'Action!'. Porn stars who are bored of fucking each other, gang bang scenes that get out of hand and having to lie about what you do for a living, it's all in this great read, as are some familiar faces from our office...

Touch Wood is available from most good book shops now. But probably not your local library.

pleased. Sure enough, when Gerald entered the room he saw me sitting on the edge of the bed with my legs crossed and the red fishnet tights going all the way to my waist and dropped his towel to reveal his hard-on.

"You look fabulous, my dear," he commented, before giving himself some slow pumps as I began to spread my legs in front of him. At the time I had quite a hairy bush and it was poking out in clumps through my fishnets but Gerald was more intent on getting me to turn over. As I lay face down on the bed with he grasped my bum and pushed his face into my crevice. I could feel

DREAM DRIVE

I must congratulate you on the pictures of the delightful young Tiffany posing by an open-top car on a beautiful summer's day in last month's issue. I couldn't think of any better way to make the most of a sunny day than a nice drive in the country with a sexy lady by my side. I myself own a 1971 MGB Convertible, the weather's not looking too disagreeable as I write, so all I need to do now is find someone as pretty as Tiffany to fill my passenger seat!

Gerald's tongue trying to squeeze through my tights, but with little success. He was so desperate to get a taste that he used his hands to rip a bigger hole in the tights. With better access he managed to start prodding my ring with his tongue and really get it wet. So wet that he slid two fingers right up my anal passage without me even flinching. This was followed by his dick.

Gerald was quite well-endowed and I could certainly feel it. He pushed it in as far as it would go causing me to clench the bed sheets, then he started to pump in and out of my arse.

"You don't know how fucking horny your backside looks in those tights," Gerald grunted as he drove his cock into me.

I moaned in return, still getting to grips with the anal intrusion but starting to enjoy it as Gerald used his fingers to rub my fanny lips at the same time. They were still encased in the tights and the fishnets being rubbed against my clit really stimulated it. In a matter of minutes I had an orgasm, screaming out Gerald's name as he continued to bugger me.

Seeing that I had climaxed Gerald withdrew his bulging prick from my arse, turned me over and like a true gent went down on me. Once again, to get better access to my pussy with his tongue he tore the tights even more and by the time he was lapping away at my pink folds it was pretty obvious that the tights were ruined. Never mind – he could afford to buy me a new pair if I wanted some!

I wriggled away on the bed in ecstasy as Gerald ate my pussy out until I had another orgasm, and then he slid his prick into my now soaking pussy to finish off. It only took him a few minutes of fucking me until his body froze, he groaned and I felt my pussy flood with his spunk.

As he pulled his now-withered prick out of my pussy the come continued to ooze out, much of it landing on what was left of the fishnet tights. It was all a bit of a mess but a very dirty reminder of a very steamy sex session.

Our affair continued for a few more months until I got another job as someone else's secretary, but I will never forget those days – especially when you keep publishing pictures that evoke such wonderful memories! – *Charlotte, London*

SMOKING THRILLS

Being a smoker I wasn't too pleased when the government recently introduced the ban on smoking in public places. That is until I realised it did have some perks. Basically it got me laid by an absolute stunner!

I was out at a bar with a few mates and an evening on the piss isn't complete without the occasional fag. Of course, now we're not allowed to smoke inside I had to go outside every time I wanted a cigarette. Being non-smokers, my mates stayed in the bar and I had to go out by myself. There were a few other people from the bar outside, including a group of girls. Seeing me smoking by myself they took pity.

LOVE MUSCLE

I wish my local gym was packed full of super hot babes like Chanta, then I might actually think about going. The last time I went to mine it was just full of neckless steroid-bingers hogging all the mirrors. And that was just the women!

Seriously though, Chanta is an absolute cracker and I love it every time she is featured in your brilliant magazine. Those pics of her in the gym really turned me on and I went overboard on my daily wanking quote after seeing them. To be honest, my cock could do with a bit of a rest now!

Chanta seems to be able to adapt to the whole spectrum of porno settings – from the luxuriously elegant to the mysteriously exotic to the downright filthy. But I don't think I've seen her do any lesbian stuff yet. That's what you guys should get her on to doing next, I reckon. I'd love to see her with her tongue wedged deep inside Stella's slick little fanny.

Terry, Salford

"Ah, look at you all by yourself," a leggy blonde said to me.

"Come and join us," said another blonde with a massive pair of tits.

Taking them up on their offer I joined them and was subsequently introduced to the group. All of them were attractive but the one that really caught my eye was a petite brunette called Cara. She looked half-Asian and had the most beautiful brown eyes. As I smoked my fag I paid her the most attention and when we went back into the bar I offered to buy her a drink before I went back to my mates.

For the rest of the evening every time I went for a cigarette Cara would go to and by closing time we were getting quite touch feely. Our respective groups of mates had obviously seen what was going on and left us to it. I suggested to Cara that we go back to my place and she seemed well up for it!

Knowing what we both wanted, we skipped the coffee and went straight to my bedroom. Cara might have been petite but she wasn't shy and immediately grabbed my bulging crotch just after we started kissing. Sensing my hardness she pulled down my trousers and pants to reveal my growing cock.

Cara sucked me off at first and it got me so horny I was desperate to fuck her, so I told her to lay on the bed, while I stripped out of all my clothes. Then I joined her on the bed, pulling the strings at the back of her dress so that it came off. Her wetness was already seeping through her skimpy knickers and I went down to taste it before peeling the undergarment off so that I could tuck in on her hot juicy mound with no obstructions.

"Cara demanded I fuck her harder and deeper"

Cara's pussy tasted so good and it wasn't long before I brought her to orgasm. Her inner thighs gripped tight to the side of my head as I pushed my tongue quickly and deeply into her sodden folds.

When her climax passed she begged me to stick my cock inside her, so that's exactly what I did. I pushed my knob against her slit and in one simple thrust I was deep inside her. I started off with slow pulsing strokes before Cara demanded I fuck her harder and deeper.

She was loving it but I wanted her to ride me so I withdrew my cock, rolled on to my back and let Cara straddle me. She was squatted over me and pushing herself up and down on my length, occasionally rising high enough so that my cock and her pussy would part company for a few seconds.

She could obviously tell when I started getting near to coming. I was sporadically thrusting up her, jerking my body to get the rhythm just right. She upped the tempo and before I knew it I was in orgasmic ecstasy, spewing a thick stream of my juice deep inside her hole. She kept rocking on my softening prick until she triggered another climax for herself then she slumped into my arms, fully spent. And yes, we both had a fag afterwards! – Jamie, Poole ♣

FANCY A TY?

I don't know why I am astounded every time I buy a copy of your mag, but I am. It's common sense that a porno mag as prestigious as yours is going to be full of knock-out totty month in, month out but I must admit I am blown away every time. And last month's issue was no different. That Tylar bird is one of the sexiest girls I have seen in a long while. With her ample breasts and exotic brown eyes she reminds me of a slimmer version of US porn queen Tera Patrick, which can't be a bad thing at all! Could you imagine the pair of them doing a shoot together? I've already had a long, hard think about it and I'm certain it can only be a good thing!

No one likes being hustled, but credit goes to Veronica for doing us all up like kippers when we challenged her to a game of strip pool. Considering the amount of time we spend in the local boozer brushing up on our potting skills we thought it would be a walkover and we'd have Veronica naked in no time at all. How wrong we were. She'd cleared the table before we'd even had a shot. Luckily she realised the readers would rather see her naked body than ours, so kindly revealed her wares anyway…

"I never told you that I'm pretty handy with a pool cue, did I? My parents used to own a pub with a couple of pool tables so when it was closed I'd be playing all the time. Then I grew up and got into boys but I still found my cue control came in handy when wanking them off. I like to get a nice steady hold on a cock, and then pull it back and forth ever so gently until it's ready to shoot."

EXOTIC & EROTIC!

Mary puts the International back into Club International!

PHOTOS: TIM FOX/MARTIN PATEK

We've been receiving an awful lot of correspondence from readers lately requesting that we live up to our 'International' label and show more women who apart from being described as stunning, sexy, classy and fit as, could also be described as exotic. So, fitting the bill nicely is Mary, although we must stress we would have found any excuse to get her in the mag.

"I've been looking forward to appearing in *Club* again," she told us. "After the last time I started getting recognised everywhere I went and the offers of marriage and casual sex came flooding in. Sadly I'm not the type of girl who wants to get tied down to one man just yet so I could only take up the offers of casual sex. Although there's been nothing casual about it. I've been fucking different guys non-stop and I've had some of the most exhilarating sexual experiences of my life. Let's just hope there's plenty more to come!" ♣

Ever wondered what it's like behind the scenes on a porn shoot? Well, look no further. These pictures capture the moment prior to commencing various shoot featuring three of our favourite blondes – Jan, Jana and *Club*'s star babe and regular page 3 fixture, Natasha. As you can see, they'd hardly had their make-up applied before they were making out, so it's just as well our snapper was as quick off the mark.

"What did you expect us to do?" Natasha asked. "You can't seriously put me in the same room as two beauties like Jan and Jana and expect us to keep our hands to ourselves until everybody else is ready. We needed to get in the mood somehow so why not get stuck into each other straight away? Mind you, those two were even more keen than I was, licking out each other's pussies before I'd even got my kit off. By the time I joined in, Jan had already orgasmed twice and Jana had exhausted the batteries on her vibrator. Still, it's very easy to improvise when there's three of you and as you can see from these pics we really made the most of out threesome."

You certainly did and we'd love to print the post-shoot pictures as well, but unfortunately they're far too strong for this publication! ♣

PARK 'N' RIDE!

Sonia is the sort of girl who likes to get things out in the open!

PHOTOS: VLT

It should come as no surprise that the scintillating Sonia is a bit of an exhibitionist – it is a prerequisite in this business after all. She loves nothing more than getting naked in a public place and, if the mood is right, she might even indulge in a bit of outdoor intercourse. But whatever you do, don't dare make the mistake we made and accuse of her being a dogger…

"How dare you!" Sonia seethed after we touched on the subject of random sexual liaisons with total strangers in public. "Do I look like a dogger to you?! I've got standards, you know. I wouldn't just let anyone fuck me. I need to get to know them first."

Really? So how does one go about getting to know you?

"Just like any girl, a bit of chat usually gets the ball rolling, as long as it's nothing too corny. Basically, if I like the look of a guy and he knows how to talk to a lady, his luck should be in."

And then what?

"Well, maybe we'd find a country lane or something, where we can get it on. And if a crowd happens to be watching us, I can't help that, can I?"

Hmm, not a bit like dogging, then. ♣

Continuing this issue's international theme comes Sammi, a lovely little number from the East. East London to be precise. Yes, the only Orient that Sammi knows is Leyton Orient but don't let that put you off, because as you can see she's got a cracking body and she knows how to use it…

"I love being on top," Sammi confessed when we asked her what her favourite position was. "Since I'm so small, most blokes hardly notice that I'm on top of them. Well, that's until they've got their cock up my tight pussy. Because I'm agile I can twist and turn in every direction and it drives my lovers wild.

"At the moment I'm learning how to do those full body massages, you know the one where a naked masseuse slides all over a guy? I've been practising with my current boyfriend and while I haven't quite got it right, he's loving it, especially when I slide my wet pussy over the length of his body until I'm sitting on his face. By that time I get a bit distracted as he starts licking me out, but you know what they say, practice makes perfect!" ♣

TYRA'S NIGHT ON THE TILES!

When tantalising Tyra gets down and dirty she's loud and proud!

PHOTOS: KEVIN MAKLIN

Do you think Tyra looks a bit familiar? You wouldn't be the first to notice, even we had to take a closer look at her pictures when they arrived because we thought she bears an uncanny resemblance to gorgeous R'n'B diva, Alicia Keys. But Tyra assures us that her vocal capabilities go no further than high-pitched whimpers when she's at the height of ecstasy. Which sounds like it's a frequent occurence…

"This is the room in my flat where I have the most sex," Tyra explained after leading us into her bathroom. "Because it's at the back of the building the neighbours can't hear me when I'm fucking. In the past I've received a number of complaints from them that when I have sex in my bedroom, not only do the tremors of my bed reverberate throughout the entire building, but my moans and groans can be heard through the walls. It wouldn't be so bad, but I'm the kind of girl who likes to last all night long!" ♣

PERSONAL DETAILS

NAME: Candy
AGE: 18
VITAL STATISTICS: 34-24-34
WHAT'S SHE LIKE? As her name would suggest, she loves being licked!

WHY DID YOU WANT TO BE IN CLUB?
I've fancied getting into modelling for a while, but I never imagined that you would pick me. Now that you have I'm delighted and I can't wait to do more photo shoots – the dirtier, the better!

WHAT IS YOUR ULTIMATE FANTASY?
Well, there are plenty of film stars and football players I'd like to have sex with. But if you're talking about what sort of sex I'd like to have, it has to be a threesome – me and two fellas. I'd love to suck one off while the other fucks my pussy and then have them change ends. My boyfriend is dead against it though!

DO YOU TAKE IT UP THE BUM?
Yes, all the time. I love having my arse fingered while I'm being fucked, the sensation of both holes being filled is like nothing else. If I ever did have my fantasy threesome I'd love to have a cock in both holes.

WHAT ABOUT GIRLS, EVER HAD A LESBO EXPERIENCE?
No, I'm not too sure if I'd like to either but then again if you'd asked me six months ago would I have taken my clothes off in a porno mag I would have said absolutely not, and look at me now! Maybe ask me again in six months time...

WE SURE WILL. FOR NOW WE'VE ONE LAST QUESTION – SPIT OR SWALLOW?
Can I say both? I don't mind swallowing but I prefer it when my boyfriend spunks over my tits or my arse and then massages it in to my skin. I don't know why, I guess I'm just a mucky little bint! ♣

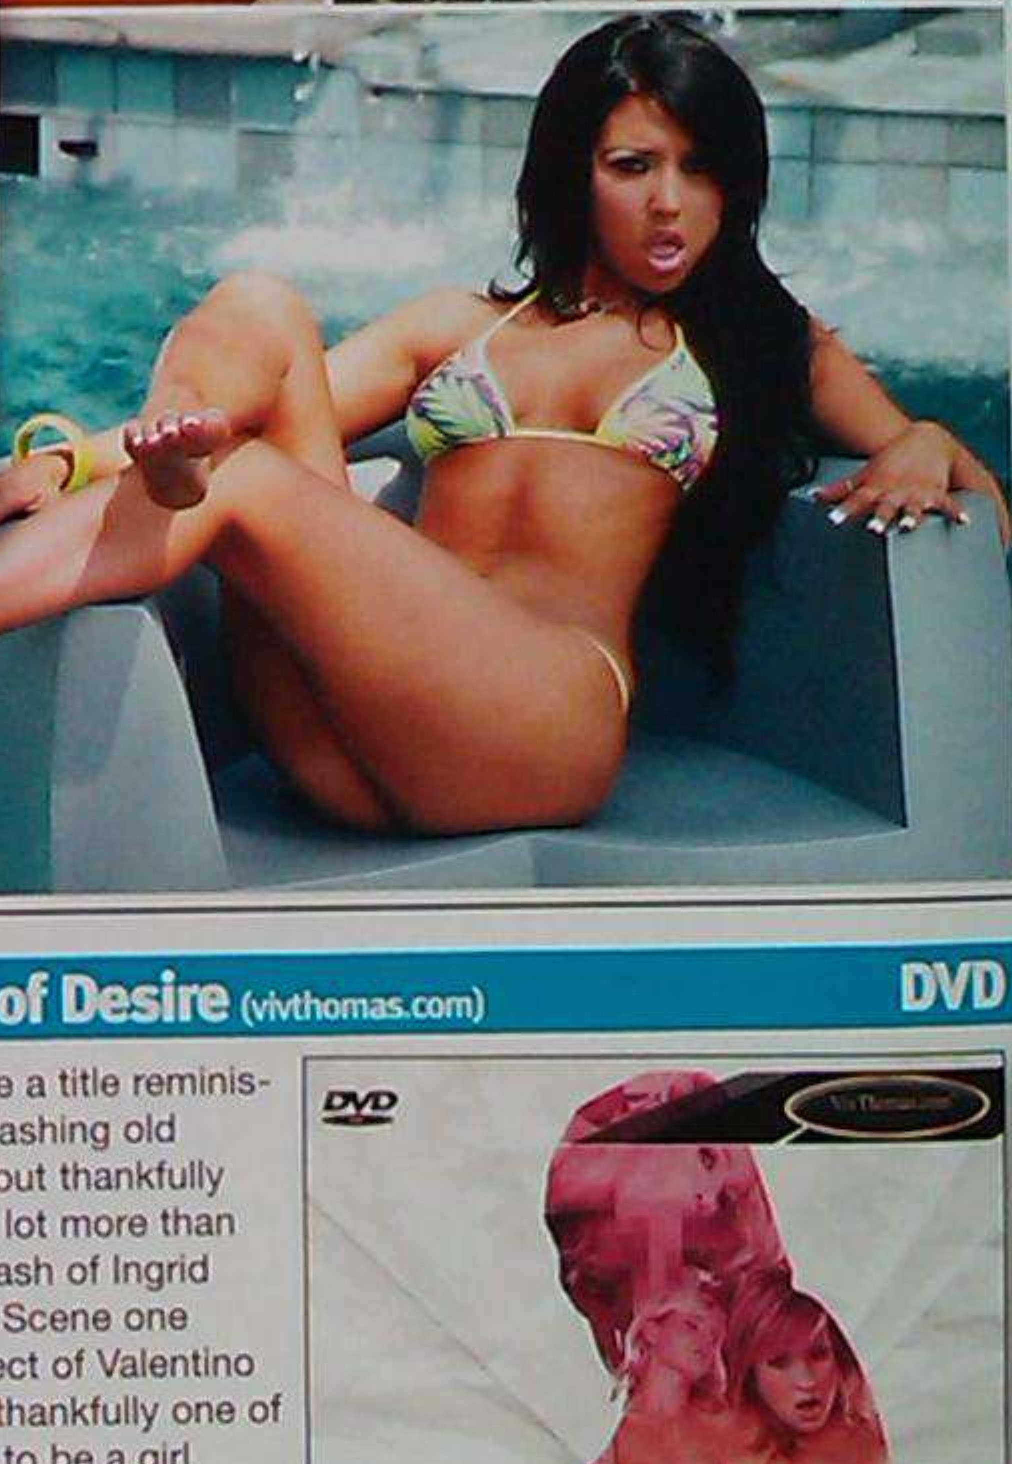
STAR RATINGS: ★ FLOPPY ★★ FLACCID ★★★ FIRM ★★★★ FULL ON ★★★★★ FUCK ME!

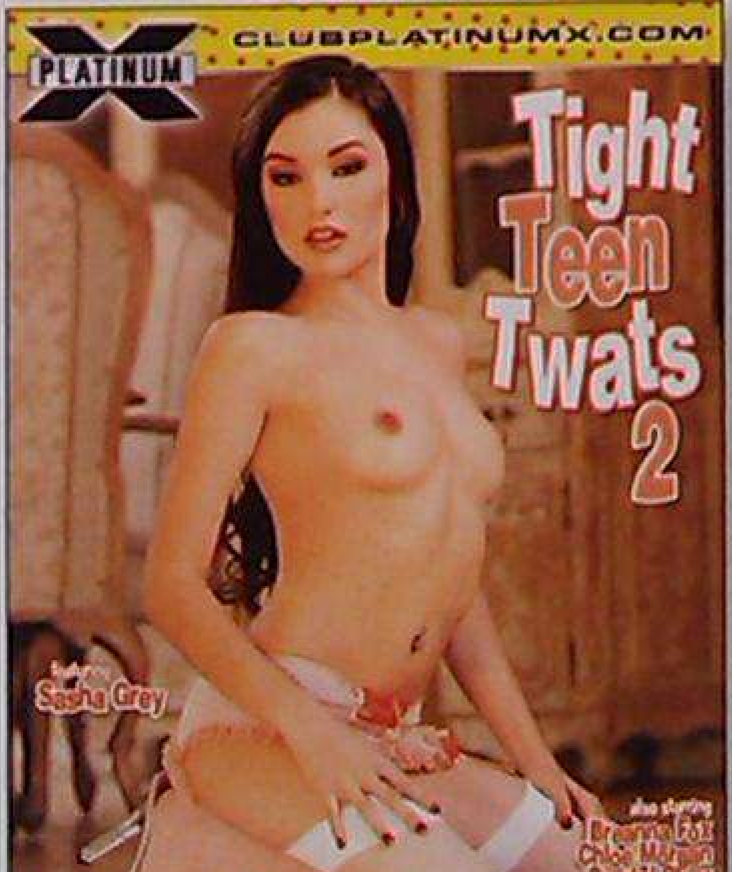
Fucking Me POV 2 (Red Light District) DVD

It's POVs that really got the gonzo ball rolling, and it's not hard to see why; just turn the lights down, sit really near the telly, and you could almost be fucking these girls yourself. Well, if you were lying with your lower half under the box, at least. Director/co-star Mark Wood's assembled a raunchy enough cast, and fake-boobed blonde Carmel Moore seems to enjoy sliding up and down on a length as much as any one. The other four girls keep the standard up, and the nicely shot close-ups of cock sinking into pussy make this worth a second look. ★★★



Tight Teen Twats 2 (PlatinumX) DVD

Just the four scenes on offer here – not even a bonus to speak of! – but to be honest we're not really inclined to complain, because the girls on display are all pretty damn cumly (except perhaps for one, but we won't say who) and they get up to all sorts of filth. Scene one features hard-bodies Crystal and Chloe, and while the moves here are fairly standard, these two hotties really make it worth checking out. Next up Jamie Elle takes on two cocks and, gets on the end of a blistering buggering along the way. Another nice two girl/one boy scene's up next, and it's another goody, before ultra-cute Sasha Grey finishes things off with a red-hot anal marathon. ★★★★



Daughters of Desire (vivthomas.com) DVD

Well it might have a title reminiscent of a boob-flashing old Hammer horror, but thankfully this flick offers a lot more than the occasional flash of Ingrid Pitt's, umm, tits. Scene one offers the prospect of Valentino and Tristan, but thankfully one of them turned out to be a girl (Valentino, we guess) – and quite a tasty one she is too. It's all standard enough b/g stuff, but then who said porn has to be perverted? And so it carries on for another six scenes (plus a bonus) – good looking girls engaged in fairly straightforward sex. There's a bit of anal in the bonus scene, but apart from that, it's all straight down the middle. One to watch with the missus perhaps? ★★★

PULLING AT THE POOL

I'm a soldier and as you'd expect, just because of what I do, I don't go short of female attention. I've pulled several times when I've been wearing my uniform but my most recent conquest was nothing to do with what I was wearing.

To keep us fit we get offered a choice of sporting activities and I always opt for swimming. Not only does going to the local swimming pool keep me in good shape but it also provides me with the chance to spot the local fanny swimming in their bikinis. When I go during the day there's always a fair number of MILFs and then the odd college girl there. I'll quite happily swim from end to end for an hour eyeing up all the talent. Then, a couple of months ago I actually got speaking to some girl, and it soon turned out to be a whole lot more.

I'd seen her at the pool several times before and we'd always made eye contact. She was a cute little thing, early 20s I guess. Anyway, we were both swimming up and down our lanes when I noticed she kept smiling at me. She had a nice face and biggish tits for her size. Every time she bobbed up and down in the water I would get a glimpse of her awesome cleavage!

After a few more lengths I finally got the courage to go over and talk to her while she was having a rest at one end. There was something about her, she seemed so horny and she also seemed very interested when I told her I was in the army.

"You're a good swimmer," I commented.

"I'm even better in bed!" was her reply.

"Oh yeah? Show me then," I joked back.

Amazingly she acknowledged me and said, "Come on then!"

With that she started to climb out of the pool and head for the changing rooms. My heart and cock were both throbbing with excitement as I followed her, my eyes glued to her gorgeous bum. Looking around to make sure no one saw us she dived into one of the family cubicles and beckoned me inside.

Within seconds of locking the cubicle door her tongue was down my throat. I couldn't believe what was happening but I wasn't wasting any time as I ripped down her bikini top, then slid my hand down the bottoms. Her shaven pussy felt nice and moist, with juicy pussy lips.

She had both her hands down my trunks at this point, playing with my balls and priming my cock in readiness to fuck her. I started slipping my fingers up her cunt, making her quietly

> ***"She had both her hands down my trunks, playing with my balls and priming my cock"***

moan. I could feel how tight she was and I knew my cock was going to love it.

"Fuck me now!" she demanded under her breath. Obliging, I pulled her bikini bottoms down so they were free to drop to her ankles and she stepped out of them. Then she turned her back to me and lifted one leg on the cubicle bench so I could do her doggy style. Her gash was at just the right height for me to rub my knob against for a few seconds before plunging it in. Once I was inside her I began to pump, getting more forceful as she commanded.

I was a bit concerned that she was making a bit too much noise but the look in her eyes when she looked back over her shoulder at me said it all. She wanted to be fucked hard and there was no way I'd get out of that cubicle alive if I didn't give her what she wanted!

Fucking away at her tight fanny I reached around to play with her clitoris, sometimes feeling my own meat going in and out. Then I decided to turn her around and pick her up to fuck her against the cubicle wall. Her pussy felt amazing – so wet and warm I knew I wasn't going to last long. I felt my balls tighten when all of a sudden she said, trying not to scream it out, "Come inside me!"

After her saying that I couldn't hold back. With a loud groan I pumped her wet love hole to a climax and filled her with my own hot juices. I could feel her pussy twitching away as she slowly gained her breath back. Then without saying another word she wiped what had dripped down her thighs, got dressed, kissed me on the cheek and left me in the cubicle to nurse my wilting boner.

I thought I probably wouldn't see her again, let alone have an encounter like that, but when I went swimming the next week, guess who was there and guess what we did? She's since left her boyfriend and now we're fucking on a regular basis – and not just in the swimming pool changing rooms! – *Adam, Essex*

DOUBLE WHAMMY

After recently splitting up with my girlfriend of 6 years I embraced my new found single life with great enthusiasm. I was a bit rusty at first but after a few weeks of going out to pubs, bars and clubs on the pull I was well and truly back in the saddle and then, after a chance encounter with an ex work colleague, I really got lucky.

Amanda used to work in my office and by all accounts she was a bit of a slapper. Naturally I'd always flirted with her but being the loyal-to-my-girlfriend type I never took it any further. So when I bumped into her in a bar I was determined not to make that mistake again.

She seemed quite pleased to see me and before I'd had a chance to offer her a drink she was buying me one so I knew things were looking good. Sure enough, after twenty minutes of extremely flirtatious chat and the frequent mentioning of the fact that I was now single, Amanda was suggesting we went back to hers.

A short and steamy cab ride later and we were at her place. She told me to be quiet as she didn't want to wake her flatmate. I tried my hardest but the tease kept grabbing the hard-on I had in my jeans. Since Amanda's bedroom was right next to her flatmate's bedroom, she suggested we go to the lounge as it was further down the hallway.

As soon as Amanda closed the lounge door

we were undressing each other. She took hold of me and pulled me on to the sofa and we started kissing. Our embrace was frantic and despite Amanda having such a great set of tits I went straight for her pussy. She had quite a furry muff but I soon located her slit. It was nice and wet and my finger slid in easily.

As I started to finger Amanda she clasped my knob and was tugging at it fervently. It was already nice and stiff but now, with her handling, it was absolutely throbbing. She widened her legs to make it easier for me to finger her but I think she really wanted me to just get between them and start fucking her. The thing is, I was feeling really dirty and decided I would go down on her first.

After assuming the position with my head between her legs I held her pussy lips apart and inserted my tongue. There was an abundance of juices and I lapped away at them, paying particular attention to her clit. She purred every time I brushed my tongue over it and even grabbed my head to pull it closer. I was really getting into it when the lounge door flew open and the light came on.

I immediately looked up, with a smattering of Amanda's fanny juices around my

mouth, to see a girl in a silk dressing gown standing in the doorway.

"Oops, sorry Amanda, I didn't realise you had company," she said eyeing the naked pair of us up and down.

"Don't worry, Kim," Amanda replied nonchalantly, "this is Steve, an old work mate."

I think I must have been the most embarrassed out of the three of us and was considering covering myself up but the girls really didn't seem to mind. And then Amanda delivered a right jaw dropper by offering a bit of me to Kim!

"I could have easily come over their faces, but they had other ideas for me"

"He's dead good at eating pussy," Amanda said, looking at me as if I was some sort of pet. "You don't mind if Kim joins us, do you?"

It was all a bit weird but I certainly didn't mind, and watched with glee as Kim shed her dressing gown to reveal the fittest little body I had ever seen. Unlike Amanda, Kim was completely shaven and I couldn't wait to get stuck into her smooth-looking pussy. She placed herself on the end of the sofa the other side of Amanda and then spread her legs wide. I dived straight in and began to slurp on her snatch.

Kim had a completely different taste compared to Amanda and I lapped at her for ages until Amanda started tugging at my dick to get my attention. Still licking Kim out I twisted my body so that Amanda could suck me off. Her mouth clamped round my knob like a vice and she took me right to the back of her throat.

I had never had two girls at one time so the sensation of licking out one girl's pussy while another gave me a blow-job was a bit much to take in. It was very enjoyable though, and got even better when Kim leaned over so that her and Amanda could take turns sucking my dick. Watching them run their tongues up and down my shaft was a beautiful image and I could have easily come over their faces, but they had other ideas for me.

Amanda straddled me while Kim held my dick upright and guided it into her friend's pussy. It was surprisingly tight but very wet and when Amanda started to bounce up and down I could really feel it. I reached up and grabbed Amanda's breasts, twiddling her nipples with my thumbs while Kim knelt by the side of the sofa and snogged me. I let go of one of Amanda's boobs and used my free hand to finger Kim, her tongue going wilder in my mouth in response to my touch.

After about five minutes of Amanda riding me, she changed places with Kim. Being smaller, Kim's pussy was a bit tighter and it didn't take long for her to ride me to my orgasm. Amanda was pushing her massive tits in my face when my whole body jolted to a halt and a gush of spunk flood Kim's tight cunt.

"Oh, yeah!" Kim shrieked as she felt my warm fluid fill her hole and immediately climbed off my dick so that her and Amanda could lick it clean. Amanda was the greediest, mopping up most of my come with her tongue while Kim licked at my balls before getting up and leaving the room.

After fucking the pair of them I was quite knackered but Amanda clearly wasn't, insisting I resume licking her out until I got hard again.

"Well," she said, "I guess it's a bit too late to worry about waking Kim up now, so we can make as much noise as we want!" And we did!

HUNGRY FOR RUMP

My aunt went on holiday and asked me to look after her house. It's always a pleasure because her house is absolutely amazing and every time I stay there I feel like a right princess. Not wanting to be there by myself I invited my current boyfriend, Josh, over for the weekend.

It was just the two of us in the house and I think you can probably guess what we got up to! Even though there's a gym, swimming pool, a snooker table and plenty of other things to do in the house we spent the whole time fucking – and what made it really memorable was the arse servicing Josh gave me on the Saturday night.

I had promised to cook a meal for him so was busily preparing the ingredients while he was having a swim. I was just chopping some peppers when he came up behind me and put his arms around me. He was wearing a dressing gown but I could feel he had a massive boner as it was pressing against my back. I stopped what I was doing and turned to face him.

"Hello, darling," I said, "I'm just getting dinner ready for his highness!"

> "My breath was taken away again as Josh proceeded to bugger my rear"

"But I'm hungry for something else," Josh replied, rubbing my mound through my jeans.

"Are you now?" I said. "That's a coincidence because it's been a few hours since I last had a taste of this." And with that I dropped to my knees, gripped hold of his stiffy with one hand and licked the tip of it.

He loves it when I suck him off and he knows all too well that I don't mind him coming in my mouth but there was no way this was going to be a quick blowie. I was feeling as horny as he was and I wanted a good seeing-to.

Once I'd got Josh to the height of horniness with my mouth I stood up, undid my jeans and let Josh pull them off. He did the same with my T-shirt and then I climbed on to the kitchen worktop, offering my raised behind. I was wearing a black thong and he pulled it to one side to get to my snatch.

I yelped as Josh's ticklish tongue probed my wet folds. I leaned back and pulled my flaps apart to allow him better access. He went wild, licking my pussy and stroking my clit as I pushed my rear back against his face. I was really getting off on it and then Josh suddenly surprised me with an anal intrusion. Except it didn't feel like his fingers or his cock so I looked around to see what was prodding at my rear.

It turns out Josh had grabbed a carrot from the worktop and was teasing my rear with it while still licking my snatch. I wriggled against the tip of the carrot until it popped into my sphincter and then I felt it worm its way up my backside. Because of its shape it felt really weird, stretching my hole wider the deeper it went.

Once it was a deep as it could go, Josh started to pump the carrot in and out of my arse. I really can't describe the sensation but it made me orgasm and I flopped about on the kitchen worktop until the strange sensation subsided. When I regained my composure, Josh pulled the carrot out and got me to climb off the worktop while still bent over it. He then lined his prick up against my arsehole and plunged it straight in.

My breath was taken away again as he proceeded to bugger me royally. His firm hands gripped the sides of my waist as he pumped my backside with all his might. I let out the occasional moan as I could feel every inch of his cock burrowing up my arse.

As Josh sped up his strokes and gripped hold of me tighter I knew he was about to come. I was feeling really dirty and wanted it over my face so I told him to pull out. He did as I asked, I turned round and opened my mouth just as the hot white mess spewed out of his prick.

Most of it actually missed my mouth, falling instead on my boobs but I managed to catch the last few drops and swallowed them much to Josh's delight.

"Did that satisfy your appetite?" I asked him as he looked down at me with his withering dick in his hand.

"Oh, yes," was his breathless reply. "But I'm sure I'm going to get hungry again later!" – *Kirsty, Surrey*

LOOSENING UP

My beautiful, sexy wife Andrea has always had an intense dislike of anal sex. She's been against the idea since we first met and little has changed in the decade or so that we've been together. Andrea's not completely anti-arse by any stretch of the imagination. She likes to be on top when she's fucking me and loves it when I squeeze and slap her cheeks as my cock slides in and out of her sexy cunt. She likes me to bite her arse too and even gets me to lick her little puckered hole whenever I go down on her but as for actual penetration – well, it's always been a firm no. That's why I still can't believe what happened a few weeks ago when she came home after a night out with the girls from work.

Andrea staggered in a little past midnight feeling a bit drunk and incredibly randy and it wasn't long before she was stroking my cock and making it throb beneath my boxer shorts.

Then she stood up and I unzipped her dress which she let fall to the floor. Unclipping her bra and freeing her big tits I squeezed them and sucked greedily on her rock-hard nipples. I couldn't wait to get my hand between her legs and was soon peeling off a pair of black silky knickers that were unbelievably damp. I caressed her pussy, her wetness enveloping my fingers, her big lips soft and sticky in my hand. I was amazed at how easily my fingers slid into her hot wet hole. Her cunt was literally dripping with sticky shiny juices and I couldn't wait to go down on her and taste every lovely drop, sucking on those massive lips, inhaling her gorgeous scent and greedily lapping up all the sticky fluid her pussy had to offer. I flicked my tongue over her engorged clit, all the while listening to her moan and groan with dirty pleasure.

As usual, my tongue moved down and found her arsehole and of course I licked and kissed the puckered little beauty for all I was worth. I was so turned on by the taste of her, I desperately wanted to put my fingers in her bum. Andrea was clearly pissed so I began teasing her dirty opening with my little finger. I waited for the obligatory complaint and perhaps a slap but none came. I slid a second finger into her eager cunt and began fucking her with it while continuing to attend to her back passage, sneakily easing inside her, my heart racing at this new, unexpected and very pleasurable development.

I nearly came there and then when, completely out of the blue, Andrea said, "Take your finger out of my arse and push your cock up it!"

My heart hammered in my chest. I couldn't believe it. I asked her three times if she meant it. She said yes, definitely, every time. She grabbed my hand and led me up the stairs to our bedroom.

Andrea climbed on the bed on all fours, then dropped her shoulders to the mattress so her arse was high in the air. I just had to get my face in there. I licked and kissed both her holes, pushing the tip of my tongue into her arse, spitting on it and rubbing in as much of her pussy juice as I could.

Next, with my heart still pounding, I positioned myself behind her and nudged her dirty opening with my wet, hard cock. It seemed to take forever to ease inside her and she was gasping and biting down on the pillow as I slowly and carefully went deeper. Eventually, I was pretty much all the way in and I gently started to move with an easy, steady rhythm. I couldn't believe what I was doing. I had my cock up my wife's arse, I was shagging her bum relieving her of her anal virginity after such a long wait. I screwed her with a sense of disbelief as she continued to bury her face in the pillow, moaning and shouting into it.

> **"I was shagging her bum relieving her of her anal virginity after such a long wait"**

Andrea was talking incredibly filthily, telling me how dirty I was and then she started swearing at me in a bid to make me fuck her harder. Naturally I responded by grinding my hips into her, burying my length to the hilt up her arse. As you can imagine, all this horny filth was too much to take and it wasn't long before I could feel my orgasm building. I warned her that I was going to spunk and all she could say, with her voice the dirtiest I had ever heard it, was: "Spunk up my fucking arse!"

I instantly obliged, unloading a thick sticky stream deep inside her anus, shuddering and shouting as I climaxed. I withdrew and collapsed on the bed next to her, trying to get my breath back, my heart racing, my head swimming with so many different emotions.

In the sober light of the next day I asked her if I had taken advantage of her drunkenness and she assured me that was not the case. I asked her if we could do it again and to my delight she said definitely – whenever she's got a few drinks inside her! – *Charles, Northwich* ♣

What do you think of Cindy's rear end? It's absolutely beautiful, isn't it? Not that her front end is a let down either. In fact she's perfect in every department. I couldn't believe my luck when I was told I'd be working with a new girl and she turned up. As soon as I saw her succulent arse I was salivating and couldn't wait to get stuck in. I'm always getting comments on my arse but I don't think it even comes close to competing with Cindy's.

Fortunately for both of us Cindy loves all the attention her bum gets so she didn't mind me squeezing it, prodding it, licking it and basically treating it as if I'd never played with another girl's arse before. She actually told me that she's never had another girl so fascinated by her bum, although there have been plenty of blokes apparently.

She started telling me about one ex-boyfriend who was obsessed with fucking her up the arse every time they had sex. She said it was alright but her pussy started to feel a bit left out and she was getting fed up with having to take care of that herself so eventually she dumped him. I knew exactly what she meant though, so many of the men I've slept with insist on doing me up the arse. One step at a time I say!

Still, you can't blame a man if he's infatuated with Cindy's lovely arse. After all, I haven't stopped talking about it either and I reckon I'm going to go to sleep tonight and dream filthy dreams about what I've done, and what I'd love to do again to her bum. I can picture it tomorrow, I'll wake up with the horn just thinking about Cindy. I suppose there is one thing I could do to stop this from happening – and that's to invite her over to stay the night. Here's hoping... ♣

We don't get to see her as much as we'd like to, but when Mia does grace the pages of *Club International* it's always a delight. Despite her firm body, stunning looks and renowned reputation on the porn scene she doesn't come with a prima donna attitude. No, Mia is as down to earth as they come. And when she comes, boy, does she come…

"I'm addicted to pleasuring myself," Mia revealed. "I can't keep my hands away from my snatch. I don't know why, I've always been highly sexed but it seems like I can't get enough of a good old frig. I'm at it whenever I get the chance – morning, noon and night. The worst time is whenever I have a shower. I'll innocently give my pussy a soaping and the next thing I know I'm bringing myself off in the shower! It wouldn't be so bad but I keep making myself late for appointments!" ♣
